

BARTON PARK
PRIMARY SCHOOL

Together, we grow

NEWSLETTER

Friday 26 February 2021

Only 10 more sleeps!

We can't wait to welcome you all back to school on 8th March and are counting down the days. It would really help us ease your child's transition back to school if you could [fill in this form](#), letting us know about experiences during lockdown that might affect your child's transition back into the classroom.

New Playground Equipment in our Early Years Playground

We are absolutely thrilled to tell you that building work on our new playground will begin on 15 March and will be completed by the time children come back from their Easter holidays. We will be able to fence off a large, safe area of the playground in front of the nursery classroom for children to play in whilst a team of landscapers and installers are onsite.

Although this equipment is predominantly for our reception class, we will be sure to let Saplings have a regular play too!

We are growing

We are advertising for a new teacher to join our team as we will be welcoming a new reception class next year so will have 3 classes in the school. The advert can be found on our website [here](#).

Easter Holiday Camp at Barton Park

- Do you want your children to stay active and sociable over Easter?
- Do you need affordable childcare for your child whilst you work over the Easter holidays?

Sport 4 All (S4A) will be offering holiday camps at our school throughout the Easter holidays. You can book on a daily basis, or for whole weeks.

Book here: <https://s4asports.co.uk/barton-park/>

S4A ran our breakfast club last term and also a Christmas Camp here during the last holiday.

Football Sessions at Barton Park Primary

S4A will also be running a football after school club for us after Easter, which you can sign up to now:

<https://s4asports.co.uk/barton-park/>

(£4 per session of £40 for the whole term, until July - this works out as a big saving.)
