Breakfast Club

We want to find out whether there is sufficient need in our school community to open Breakfast Club in the future. Breakfast club would be run by an outside provider, and will only operate if there are enough people to make it viable. Click [here](#) to let us know if and when you need Breakfast Club. Please note, this is not a booking form.

A polite reminder:

Our school day starts at 08:35am

Please ensure your child is in their classroom for 08:35am. Whilst the register closes at 8:45, essential learning takes place at the beginning of the day, so if the children are late they can miss one whole hour of learning time each week. For Saplings this time is now used as daily handwriting practice.

Teaching Assistant advert

We are looking for 2 ambitious and inspiring teaching assistants, either SEND or KS1, to join and strengthen our small, dedicated team, serving a newly opened school at the heart of a growing community. **Please spread the word to anyone you know who might be interested.** The information pack and application form are [here](#) on our website.

The Trust Working in Partnership: Camping at the weekend

Due to the ongoing restrictions, students from Cheney School undertaking their expedition for their Duke of Edinburgh Bronze Award will not be able to camp at the campsite previously booked by the Trust for the event. Rather than cancelling this valuable experience, they are going to come and camp in the field at the back of Barton Park School on Saturday evening. The event has been fully risk assessed by our academy trust and it poses no risk to our Barton Park bubble. They will be supervised by their teachers throughout, and our field and all indoor facilities used will be fully cleaned and sanitised before we return to school on Monday. Let's hope the weather is kind to them!

Ben Hegedus, CSAT
